Vet Tech with Mrs. Oellerich

What should I already Know?

Basic care of animals is an excellent foundation for this course.

What is this class about?

This course deals with a variety of topics ranging from the animal industry, animal anatomy and physiology, animal ethics and welfare issues, animal health, veterinary medicine, veterinary office practices, to animal services to humans. Terminology that is interchangeable between humans and animals will be a main component, as will be unique careers with animals.

Can I go?

You will have THREE hall passes each quarter. You are responsible to keep track of them and use them wisely.

What is expected of me in class?

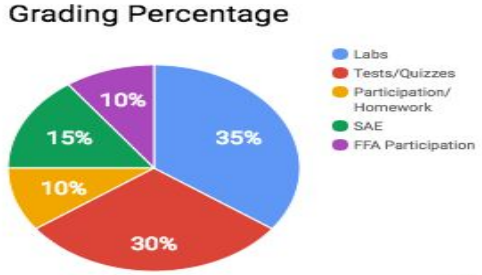
In order for our class to run smoothly there are certain things I expect of you. They are. . .

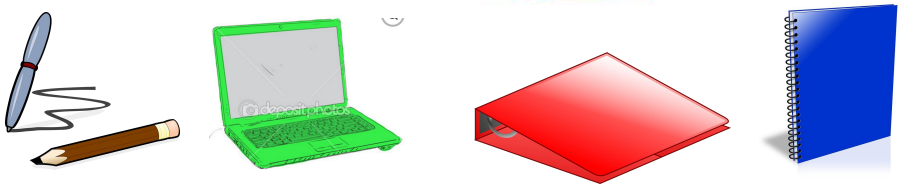
1. **Learning to Do** : Students are expected to participate in all classroom activities.
2. **Doing to Learn:** Students are expected to be prepared for all class activities.
3. **Earning to Live:** In this classroom EVERYTHING is earned. This includes grades, privileges, & respect.
4. **Living to Serve:** Students are expected to respect their fellow classmates and display characteristics of a leader.
5. **Rid yourself of distractions** (food, drinks, phones, backpacks). Phones will stay in backpacks or the group holder, and backpacks will be under the table in front of your feet.

If you decide not to meet these expectations, there will be consequences that vary in size and scope, depending on the action in the student handbook.

What if I am absent?

1. Check the make-up work box for your buddy sheet.
2. After reading the sheet, visit with a neighbor to confirm.
3. When you complete the homework turn in the buddy sheet, too.
4. Follow the guidelines in the handbook for the make-up work policy.





What supplies do I need?
